

Scuba Diving Kit Hire Charges - Warwick Sub Aqua Members

Whilst it's great to have your own kit, we understand that it's also expensive, and something you accumulate over time. If you need to borrow any club kit, you're always welcome to.

The table below outlines the kit we have available to borrow, along with the price of hire. Pick up and drop off times can be organised with the kit officer or another member of the exec.

Before Hiring any kit please make sure to speak to the kit officer or appropriate member of the committee to make sure that the kit will not be needed for club training. They will also inform you how to pay for the hire of the kit.

Item	Price (per day)	Package Deals	Price (£)
Mask	£2	One day, all kit	£20
Hood	£2	Weekend, all kit	£35
Gloves	£2	Week, all kit	£50
Regulator	£8		
Cylinder*	£5		
BCD	£3		
Drysuit	£10		
Undersuit	£5		
Fins	£3		
Weight + belt	£3		
Computer	£10		
DSMB/SMB and reel	£3		

*Cylinders must be returned in the same fill state as they left or a £3 surcharge will be added for fills.

When referring to a longer period of time we count the number of days diving rather than absolute time that the kit has been taken for. For example picking up kit on a Friday and returning on a Monday but only using it for the Saturday would come under the one day price.

- One day - One day of diving
- Weekend - 3 diving days
- Week - up to 7 diving days

Please bear in mind that from these kit hire fees WUSAC is not making any money. All fees paid will go straight back to standard maintenance of the kit. For this reason, and to keep us being able to hire kit out, please treat it with care.

We understand that there may be breakages, even with normal use. If there is a breakage due to negligence or lack of due care you will be asked to pay for the repair or replacement of said item.

Have Great Fun Diving and Stay Safe!
